Statement of Nature, Reasons and Basis for Filing

The September 28 Order authorized Central Kentucky to abandon, by sale, the KA-1 Facilities to Columbia and directed Central Kentucky to notify the Commission within ten days of that abandonment. The September 28 Order further directed Central Kentucky to cancel its FERC Gas Tariff, First Revised Volume No. 1 (“Tariff”), in accordance with Section 154.602 of the Commission’s Regulations. On November 18, 2020, Central Kentucky filed to cancel its Tariff under Docket No. RP21-225-000. In its December 10 Order, the Commission accepted Central Kentucky’s November 18, 2020 filing, and directed Central Kentucky to make this informational filing in compliance with Section 157.20(c)(2), and include, as part of the filing, the actual closing of the sale of the KA-1 Facilities.

Pursuant to the September 28 and December 10 Orders, Central Kentucky hereby notifies the Commission that the actual closing of the sale of the KA-1 Facilities from Central Kentucky to Columbia occurred on December 11, 2020.

Central Kentucky is submitting this notice of the date of sale via the Commission’s e-Tariff portal using Filing Code 620.
