Re: ANR Pipeline Company  
Supplement to Compliance Filing  
Docket No. RP25-858-\_\_\_\_\_

Dear Secretary Reese:

On October 31, 2025, ANR Pipeline Company ("ANR") submitted a Type 580 compliance filing ("Compliance Filing") to place into effect on November 1, 2025 certain updated tariff records contained in ANR's Section 4 rate case filing submitted on April 30, 2025 in Docket No. RP25-858-000. As explained in the transmittal letter to the Compliance Filing, due to the FERC eTariff system's file size limitations, ANR was unable to submit the revised cost-of-service statements and schedules ("Appendix D") in a single native format Excel file. Therefore, ANR is submitting Appendix D to the Compliance Filing which includes cost-of-service Statements A through M, and all supporting schedules and workpapers, in native format. The statements, schedules, and workpapers within Appendix D support the proposed updates to certain rates resulting from the revised plant in-service balances as of October 31, 2025, and reflect anticipated changes to accounts and allocations dependent upon plant balances.

#### **Certificate of Service**

In accordance with Rule 2010 of the Commission's Rules of Practice and Procedure, 18 C.F.R. § 385.2010, a copy of this filing, together with all enclosures, is being served upon all jurisdictional customers and interested state regulatory agencies.

Respectfully submitted,

/s/ Kelly Griffin

Kelly Griffin  
Director, Rates & Regulatory
