^{1/} The designated service agreement does not deviate in any material respect from the Form of Service Agreement contained in Transporter's Tariff.

^{2/} Shipper, aware of the availability of a maximum recourse reservation rate, elects to pay a negotiated reservation rate of \$0.57 Dth/day under Rate Schedule FT-1 of Millennium's Tariff, plus all applicable commodity charges, the FERC's annual charge adjustment, and all other surcharges in effect from time to time under Rate Schedule FT-1 of Millennium's Tariff.

^{3/} The negotiated rates specified are also applicable to receipts and deliveries at all current in-path from Stagecoach to Ramapo secondary receipt and delivery points and the following receipt and delivery points: Receipts (MPL Pool East (P60) and future mainline in-path Stagecoach to Ramapo receipt points) and Deliveries (Future mainline in-path Stagecoach to Ramapo delivery points) (each a "Qualifying Secondary Point"). If Shipper uses any points other than a Qualifying Secondary Point, then Shipper shall pay the higher of the negotiated rate specified above or Millennium's applicable maximum tariff rates, solely with respect to those volumes that are received at or delivered to a point that is not a Qualifying Secondary Point.
