Contract Start Date: November 1, 2025
Contract End Date: March 31, 2028.

^{1/} The designated service agreement does not deviate in any material respect from the Form of Service Agreement contained in Transporter's Tariff.

^{2/} In lieu of Transporter's maximum tariff rates, Shipper will pay a reservation charge of \$0.375/dth/day under Rate Schedule FT-1 of Millennium's Tariff, plus all applicable commodity charges, the FERC's annual charge adjustment, and all other surcharges in effect from time to time under Rate Schedule FT-1 of Millennium's Tariff. The charge(s) specified above is applicable to services during the entire term of the FT-1 Service Agreement, regardless of any otherwise applicable maximum recourse reservation rate under Rate Schedule FT-1.

The rates specified above are also applicable to receipts and deliveries at all current in-path secondary receipts (each a "Qualifying Secondary Receipt Point"). A negotiated reservation charge of \$0.425/dth/day plus all applicable commodity charges, the FERC's annual charge adjustment, and all other surcharges in effect from time to time under Rate Schedule FT-1 of Millennium's Tariff shall be applicable to secondary deliveries at the following delivery points: 633395-Ramapo (a "Qualifying Secondary Delivery Point"). If Shipper uses any points other than a Qualifying Secondary Receipt and/or Delivery Point, then Shipper shall pay the higher of the negotiated rates specified above or Millennium's applicable maximum tariff rates, solely with respect to those volumes that are received at or delivered to a point that is not a Qualifying Secondary Receipt and/or Delivery Point.
