Revision No. 3

FTS SERVICE AGREEMENT

THIS AGREEMENT, effective March 1, 2025, is made and entered into this 20th day of February, 2025, by and between COLUMBIA GAS TRANSMISSION, LLC ("Transporter") and EXPAND ENERGY MARKETING LLC ("Shipper").

WITNESSETH: That in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

Section 1. Service to be Rendered. Transporter shall perform and Shipper shall receive service in accordance with the provisions of the effective FTS Rate Schedule and applicable General Terms and Conditions of Transporter's FERC Gas Tariff, Fourth Revised Volume No. 1 ("Tariff"), on file with the Federal Energy Regulatory Commission ("Commission"), as the same may be amended or superseded in accordance with the rules and regulations of the Commission. A portion of Shipper's transportation is provided by Transporter via off system capacity acquired by Transporter on Millennium Pipeline Company, LLC ("MPC"). The maximum obligation of Transporter to deliver gas hereunder to or for Shipper, the designation of the points of delivery at which Transporter shall deliver or cause gas to be delivered to or for Shipper, and the points of receipt at which Shipper shall deliver or cause gas to be delivered, are specified in Appendix A, as the same may be amended from time to time by agreement between Shipper and Transporter, or in accordance with the rules and regulations of the Commission.

Section 2. Term. Service under this Agreement shall be effective as of October 2, 2015, and shall continue in full force and effect through September 30, 2025. Subject to Transporter's ability, in its commercially reasonable discretion, to retain the Millennium Pipeline Company, LLC ("MPC") capacity necessary to provide such service on acceptable terms and conditions, Shipper shall have a one-time right to extend the term of its Service Agreement for an additional term of five (5) years, at the lesser of (A) the then-effective maximum recourse rates for Rate Schedule FTS, plus all applicable charges for MPC capacity held by Transporter to provide this service, or (B) the negotiated reservation rate; provided, however, the maximum applicable commodity rate, commodity surcharges, the Capital Cost Recovery Mechanism ("CCRM Charges"), and retainage shall apply regardless of the rate applicable to any extension. Once determined, the rate during the one time extension of its Service Agreement shall be fixed for the entire extended term. Transporter will notify Shipper of its pending election seven (7) months prior to termination of the Service Agreement. Shipper must notify Transporter of its election to extend the Service Agreement at least six (6) months prior to the termination of the Service Agreement. Pre-granted abandonment shall apply upon termination of this Agreement, subject to any right of first refusal Shipper may have under the Commission's regulations and Transporter's Tariff.

Section 3. Rates. Shipper, aware of the availability of a maximum recourse rate, elects to pay a negotiated reservation rate of \$14.30 per Dth per month. Except as otherwise stated in this Section 3, the negotiated reservation rate shall be fixed for the primary term of the Service Agreement, regardless of the maximum recourse rate set forth in the Tariff. In addition to the negotiated reservation rate set forth above, Shipper shall pay all demand surcharges on Transporter applicable to Rate Schedule FTS and on MPC applicable to Rate Schedule FT-1 that are set forth in each pipeline's respective Tariff, as those surcharges may be amended, added or modified from time to time. During the initial primary term of service of October 2, 2015 through September 30, 2025, Shipper shall not pay Transporter's Capital Cost Recovery Mechanism ("CCRM") charge. Shipper shall pay a negotiated base commodity rate that shall be the sum of the maximum base commodity rate under Rate Schedule FTS on Transporter and the maximum base commodity rate under Rate Schedule FT-1 on MPC, as such may change from time to time, unless the sum of such maximum base commodity rates exceed \$0.0123 per Dth. If the sum of such maximum base commodity rates exceeds \$0.0123 per Dth, Shipper's negotiated base commodity rate shall be fixed at \$0.0123 per Dth for the time period the sum of such maximum base commodity rates exceed \$0.0123 per Dth. Shipper shall pay all commodity surcharges for Rate Schedule FTS on Transporter and for Rate Schedule FT-1 on MPC as set forth in the respective Tariffs as such may change from time to time. Shipper shall provide the respective maximum retainage rate for Rate Schedule FTS on Transporter and Rate Schedule FT-1 on MPC as set forth in the respective Tariffs; however, if such combined total retainage at any time exceeds 2.50%, Shipper's negotiated commodity rate shall be reduced to \$0.00 (zero) prospectively for such time as the combined retainage rates exceed 2.50%. Shipper shall pay the same demand, commodity, surcharges and applicable retention when using all current and future Secondary Receipt and Delivery Points as described for Primary Points above.

Section 4. Notices. Notices to Transporter under this Agreement shall be addressed to it at 700 Louisiana St., Suite 1300, Houston, Texas 77002, Attention: Customer Services and notices to Shipper shall be addressed to it at 10000 Energy Drive, Spring TX 77389-4954, Attention: Lucy Erwin, until changed by either party by written notice.

Section 5. Superseded Agreements. This Service Agreement supersedes and cancels, as of the effective date hereof, the following Service Agreement(s): FTS No. 161147, Revision No. 2.
