FTS SERVICE AGREEMENT

THIS AGREEMENT is made and entered into this 28th day of July, 2025, by and between COLUMBIA GAS TRANSMISSION, LLC ("Transporter") and ANTERO RESOURCES CORPORATION ("Shipper").

WITNESSETH: That in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

Section 1. Service to be Rendered. Transporter shall perform and Shipper shall receive service in accordance with the provisions of the effective FTS Rate Schedule and applicable General Terms and Conditions of Transporter's FERC Gas Tariff, Fourth Revised Volume No. 1 ("Tariff"), on file with the Federal Energy Regulatory Commission ("Commission"), as the same may be amended or superseded in accordance with the rules and regulations of the Commission. The maximum obligation of Transporter to deliver gas hereunder to or for Shipper, the designation of the points of delivery at which Transporter shall deliver or cause gas to be delivered to or for Shipper, and the points of receipt at which Shipper shall deliver or cause gas to be delivered, are specified in Appendix A, as the same may be amended from time to time by agreement between Shipper and Transporter, or in accordance with the rules and regulations of the Commission.

Section 2. Term. Service under this Agreement shall commence as of October 9, 2018 and shall continue in full force and effect until October 8, 2033 ("West Side Initial Term"). Pre-granted abandonment shall apply upon termination of this Agreement, subject to any right of first refusal Shipper may have under the Commission's regulations and Transporter's Tariff.

At the end of the West Side Initial Term, Shipper shall have the right to extend the term of this Agreement for up to two (2) successive 5-year terms (each an "Extended Term"), exercisable no later than twelve (12) months prior to the expiration of such West Side Initial Term and first Extended Term, if applicable. Any Extended Term must be for a minimum quantity of 400,000 Dth/d and shall be at the same rates and commercial terms contained herein. Provided, however, if Shipper elects to extend the West Side Initial Term at a quantity less than its applicable West Side Initial Term quantity, then such reduced quantity for the first Extended Term shall become the maximum quantity for any applicable second Extended Term.

Section 3. Rates. Shipper, having been apprised of the availability of a maximum recourse reservation rate for service under this Agreement, has elected to pay a negotiated reservation rate, as set forth below:

In addition, Shipper shall pay all applicable demand and commodity surcharges, excluding the Capital Cost Recovery Mechanism ("CCRM") charges or any substantially similar successor surcharges thereto that seeks to recover Transporter's capital investments to modernize its interstate transmission system, as specified under Rate Schedule FTS, as such may change from time to time. In addition to the rates above, Shipper will pay the fuel retention applicable to Rate Schedule FTS, as such may change from time to time.
