\* Persons designated for official service pursuant to Rule 2010.

### **Statement of Nature, Reasons and Basis for Filing**

Section VII.19.6 of Columbia's Tariff provides that Columbia will file a report within 60 days of the close of the contract year<sup>2</sup> showing, for each month during the contract year: 1) the penalty amounts assessed and actually collected pursuant to the penalty provisions of Columbia's Tariff; 2) any eligible costs incurred by Columbia that could offset those penalty revenues; 3) and the resulting penalty revenue credits allocated to Non-Penalized Shippers<sup>3</sup> in each month.

To comply with this filing requirement, Columbia is submitting the instant filing as its Penalty Revenue Crediting Report for the 2023-2024 contract year ("Report"). The Report includes Appendix A, which reflects the aggregate penalty revenue credits for each Non-Penalized Shipper for the contract year; Appendix B, which reflects the allocation of penalty revenue credits among Non-Penalized Shippers for each month of the contract year;<sup>4</sup> and Appendix C, which reflects the calculation of the interest included in the penalty revenue credits.

As detailed in Appendices A and C, attached hereto, Columbia collected a total of \$767,504.86 in penalty revenues, inclusive of interest, to be credited to Non-Penalized Shippers for the 2023-2024 contract year. In accordance with Section VII.19.6(c) of Columbia's Tariff, Columbia included the applicable penalty revenue credits in the Non-Penalized Shippers' December invoice for November service.
